Please note the following eligibility requirements:

1. All current Grady College undergraduates and graduate students, as well as Intended-Grady students, are eligible to apply for Grady scholarships.
2. Full-time enrollment (at least 12 hours) in Fall 2021 is required. Students who are not enrolled in Fall 2021 are not eligible to receive Grady Scholarships.
3. Students graduating in Spring or Summer 2021 are NOT eligible to apply. Students graduating in Fall 2021 or later are eligible to apply.
4. Scholarships are not automatically renewed. A new application must be submitted for consideration each academic year.
5. All applications must be TYPED. Handwritten applications will not be considered.

Please complete all applicable fields. This application guarantees consideration for any scholarship for which an applicant qualifies, so it is not necessary to apply for specific scholarships by name. However, you may find that you qualify for a specific category of scholarship, e.g., interest in radio, so please highlight that in your application (<https://grady.uga.edu/grady-students/scholarships-student-support/>)

Grady's scholarship program is coordinated with the UGA Office of Student Financial Aid. Acceptance of a scholarship from the Grady College could result in a reduction of funds awarded from other sources. Check with the Office of Student Financial Aid (706-542-6147) if you have questions or concerns. (Note: Grady scholarships do *not* affect a student's HOPE Scholarship amount.)

Grady College scholarships are administered by the Scholarships and Awards Committee through the Director of Undergraduate Services.
