TALKING DOG AGENCY
INTERNSHIP INFORMATION

INFORMATION FOR STUDENTS:

If you successfully complete all of the requirements of an approved internship while concurrently enrolled in ADPR 5012 (Talking Dog Agency Internship), you can earn up to three (3) college elective hours of credit.

WHO MAY TAKE AN INTERNSHIP FOR ACADEMIC CREDIT?

Students enrolled in the Grady College of Journalism and Mass Communication who have satisfactorily completed (grade C- or better) in (ADPR 3850, 5920, and JOUR 3190 for PR students), (ADPR 3100, 3110, and 3120 for Ad students), or, other non-Grady College students with at least one year of Talking Dog Agency experience.

HOW AND WHERE DO I GET AN INTERNSHIP APPROVED?

Submit the request form and the Talking Dog Agency offer letter to the Talking Dog Agency Professional Manager. This **must be done** before you will be able to enroll in ADPR 5012 **and** in advance of beginning work on the internship. The number of credits for the internship on your advisement form must agree with the number of hours you are requesting on your approval form. You must present your advisement form in order to obtain a POD for this course.

HOW MANY CREDITS CAN I EARN?

An internship may be taken for variable credit based on the number of hours that the student works during the semester. Students may earn between one and three hours of internship credit:

320 hours = 3 credits
214 hours = 2 credits
107 hours = 1 credit

Credits or hours given for internship may not be increased or decreased once the internship has started. ADPR 5012 is repeatable for up to a total of 3 credit hours.

HOW DO I GET THE CREDIT?

After approval by the Talking Dog Agency Professional Manager, enroll in ADPR 5012 (Talking Dog Agency Internship) for the semester you will be performing the internship. The Talking Dog Agency Professional Manager must complete an online survey as a report of your performance by the last day of class and you must submit your final report and evaluation before a grade can be given.

ARE THERE ANY OTHER REQUIREMENTS?

Compile a week-by-week report (in complete paragraph form) of your work during the internship. Submit the typed final report along with your evaluation of the internship to the Talking Dog Agency Professional Manager on or before the last day of the semester. You can email this to Ms. Mary Ellen Barto at Mary.Barto@uga.edu.

WHERE DOES ADPR 5012 FIT INTO OUR CURRICULUM?

It will be counted as 1 to 3 variable hours of the 30 hours of Grady coursework required for your Advertising or Public Relations degree. Specifically, it will be used towards your 6 to 9 hours of required Grady Electives, depending on your major. **For Non-Grady students**, this will be counted as 1-3 hours of general elective credit. Grades will be recorded on your official transcript as satisfactory or unsatisfactory (S or U) and are not included in your grade point average. The most logical use of the internship is 3 hours because it satisfies a college elective requirement. However, if you initially take 1 or 2 hours of credit, it is repeatable for a sum total of 3 hours of credit. If you have completed your Grady electives, internship credit may count in your general electives.

INTERNSHIP INFORMATION

INTERNSHIP SYLLABUS Talking Dog Agency (ADPR 5012)

Ms. Kristen Smith or Dr. Jennifer Barnhart
Office Hours by Appointment

215 Journalism Bldg.

=====

This is a supervised internship; it is a course designed to move you out of the classroom and into on-the-job training. You will be working for a real employer, using the tools and insights you have acquired in your classroom work and, presumably, acquiring new tools and insights as a fledgling professional.

Obviously, there is no text. You will be expected to attend regular agency, team, and client meetings because your workplace is your classroom. You will be expected to meet certain requirements over and above satisfactory performance at work, however, in order to receive course credit:

1. Your internship must be APPROVED PRIOR to the beginning of the semester. NO internship can be approved for credit until you have completed and submitted the "REQUEST FOR APPROVAL" form and your Talking Dog Agency acceptance letter. Once approved, you will be given a POD for the internship course.
2. Enroll in ADPR 5012 for the number of approved hours. Remember that you are receiving course credit and will have to pay UGA tuition, etc.
3. Email to Mary Ellen Barto, Mary.Barto@uga.edu, by the last day of classes for the semester a *typed, week-by-week final report (in complete paragraph form) of your activities as an intern, including work samples if you are able.*
4. Email to Mary Ellen Barto, Mary.Barto@uga.edu, by the last day of classes for the semester a *typed self-evaluation of what you learned at your internship. This should be reflective and can be whatever format you are comfortable with.*

Please note: Ms. Kristen Smith or Dr. Jennifer Barnhart will review and grade reports and evaluations. Mary Ellen Barto will collect and send to the faculty members for final review and grading.

5. The Talking Dog Agency Professional Manager must submit via the evaluation link they are emailed, also no later than the last day of classes for the semester, a *complete evaluation of your performance*. Because I expect them be completely candid about your performance, this online survey will be considered a confidential communication with the college.

Remember this date: **The last day of classes for the semester** is the deadline for submission of your report and evaluation and the Agency Professional Manager's online evaluation

You will receive either a "Satisfactory" or an "Unsatisfactory" grade. There are no A, B, C, D, or F grades in this course. Incompletes are issued when all materials are not received by the last day of classes.

I hope this will be as pleasant and productive a learning experience for you as it has been for hundreds of your predecessors, and I trust that your work will reflect as favorably on the Grady College as has the work of those who preceded you.
