Additional things to know

- All Grady College courses are 3 credit hours. GRSC (GradFIRST) is 1-credit hour.
- Cognate courses are any graduate courses outside of Grady College. This is an opportunity to take graduate courses in other UGA colleges or schools. Popular places for cognate courses include Franklin College of Arts and Science, Terry College, the School of Public and International Affairs, the College of Public Health, Odum School of Ecology, and College of Family and Consumer Sciences. Keep in mind, some graduate courses outside of Grady may have prerequisites in order to register for the course.
- It is possible to take and count different sections of JRMC 8130 or JRMC 8160; that is, sections that have different titles and cover different topics (e.g., you could take two different JRMC 8130 courses or two different JRMC 8160 courses).
- On occasion, some Grady College graduate courses are offered online. This is particularly true for Maymester and Summer courses. Courses that are online will display with an “e” at the end of the course number (e.g., ADPR 7930e).
