Integrated ADPR Concentration: MA Non-Thesis Program Planning Form

Student: ____________________________________________________________

Advisor/Major Professor: _____________________________________________

Minimum of 34 credit hours to graduate (11 3-credit hour courses + 1-credit hour GradFIRST)

PREREQUISITES

If you have not received AP Stats credit or completed a statistics course as an undergraduate, you must take a graduate-level or cross-listed statistics course from any department. (We recommend ERSH 6300 or STATS 6210. You can take an undergraduate statistics course, but you will not receive graduate credit hours.)

If you did NOT take ADPR 3100 (Principles of Advertising) or a similar introduction to advertising course as an undergraduate:

- You need to register for *JRMC 7960 – Advertising Foundations
  (Note: If you take JRMC 7960 it will count toward your Electives/Cognate hours)

If you did NOT take ADPR 3850 (Public Relations Principles) or a similar introduction to public relations course as an undergraduate:

- You need to register for *JRMC 7940 – Public Relations Foundations
  (Note: If you take JRMC 7940 it will count toward your Electives/Cognate hours)

(Note: If you took ADPR 3100 AND ADPR 3850 as an undergraduate student, you do not have to take either of the two “foundations” courses (JRMC 7960 & JRMC 7940).

UNIVERSITY OF GEORGIA REQUIREMENT – GradFIRST seminar

You must complete a 1-credit GradFIRST seminar during the Fall or Spring semester of your FIRST year unless you are enrolled in an exempt program. The only exempt Grady College program is the online MA in Emerging Media.

- GRSC 7001 (GradFIRST)

• Cognate courses are any **graduate courses** outside of Grady College. This is an opportunity to take graduate courses in other UGA colleges or schools. Popular places for cognate courses include Franklin College of Arts and Science, Terry College, the School of Public and International Affairs, the College of Public Health, Odum School of Ecology, and College of Family and Consumer Sciences. Keep in mind, some graduate courses outside of Grady may have prerequisites in order to register for the course. Courses must be at the 6000-level or higher to count toward your program.

**Notes**
The * indicates courses that are **typically** offered during the **Fall semester**.
The ** indicates courses that are **typically** offered during the **Spring semester**.
The *** indicates courses that are **typically** offered during the **Summer**.
No stars indicates courses that are **typically** offered during both the **Fall** and **Spring** semesters.
Sections of JRMC 8130 and JRMC 8160 are usually offered every semester.

**Additional things to know**
• All Grady College graduate courses are 3 credit hours, while GRSC (GradFIRST) is 1 credit hour.

• It is permissible to take and count different sections of “Special Topics” courses, provided they have different titles and cover different topics; that is, you could take two different JRMC 8130 courses or two different JRMC 8160 courses, if they are covering different content.

• On occasion, some Grady College graduate courses may be offered online. This is particularly true for Maymester and summer courses. Online courses have an “e” at the end of the course number (e.g., JOUR 7320e). For credit purposes, an online course is considered the same as its in-person version.

• On occasion, some Grady College graduate courses are offered online. This is particularly true for Maymester and Summer courses. Courses that are online will display with an “e” at the end of the course number (e.g., ADPR 7930e). Online courses are considered the same as the in-person version.

• You may not count the undergraduate version of a split-level or cross-listed course for graduate credit (e.g., if you were enrolled in ADPR 5750 in the split-level course ADPR 5750/7750, you would receive undergraduate credit). At the same time, you may count the graduate version of a split-level or course-listed course for graduate credit (e.g., if you were enrolled in ADPR 7750 you would receive graduate credit). Also, to be clear, if you completed a particular split-level course for undergraduate credit (e.g., ADPR 5750), you may not complete the graduate version (JOUR 7750) for graduate credit.

• All 9000-level courses require permission of advisor for enrollment.
